The 30th annual Barge Chaser was held Saturday August 31 on the Mohawk River at the Rotterdam Kiwanis Park. Twenty nine paddlers in 18 boats raced either 3 miles or 7 miles. Attendance was down slightly from last year, probably because this was the first day of Labor Day Weekend. (Next year we will try not to conflict with everyone's holiday!!) Thanks to all who turned out.

Everyone completed the course and was enjoying lunch when a terrific thunder and lightning storm moved through the region. By the time awards were given out, a river was flowing through the town pavilion!

Thanks to all the volunteers who helped set up and run the race and then helped clean up in the pouring rain. Special thanks to the chefs who cooked our picnic lunch!
