The 31th annual Barge Chaser was held Saturday August 01 on the Mohawk River at the Rotterdam Kiwanis Park. Twenty three paddlers in 18 boats raced either 3 miles or 7 miles.

Attendance was down slightly from last year. . Thanks to all who turned out on a holiday weekend.

There was a Bass Tournament held at the same location, making early morning set up very "exciting". However Tournament organizers agreed to work with us & promised to make no wakes racing between fishing sites if paddlers were around; paddlers agreed to go outside fishing boats as they fished close to shore.

Thanks to all the volunteers who helped set up and run the race Special thanks to the chefs who cooked our picnic lunch!
