The 33rd annual Barge Chaser was held Sunday July 17 2016 on the Mohawk River at the Rotterdam Kiwanis Park. Twenty five paddlers in 12 boats raced either 3 miles or 10 miles under beautiful conditions (upper 70's, clear, relatively calm, and almost no motor boats)

Thanks to all the volunteers who helped at set up & clean up, registration, and timing of the race. Many hands made the running of the race. Special thanks to Ray, George, & Joe, the Schenectady Wintersports Club (SWC) chefs who cooked our picnic lunch, Thanks also to Tough

Traveler of Schenectady who donated fanny packs, belt bags, bags, etc for awards. Everyone who raced got to chose an "award" And as always thanks to SWC for supporting the race.
